FUND DRIVE LEADERS — Mrs. Robert Lubkeman (left) and Mrs. David Buck, both of Antioch, are shown at a planning meeting of Lake County leaders of the United Cerebral Palsy Drive, held recently in Graylake. As area chairman and captain, respectively, the two will be in charge of the 53-minute march here January 15.

2 Map Plans For Cerebral Palsy March Here Jan. 15

Volunteer workers in the annual United Cerebral Palsy Drive will cover the Antioch area in a 53-minute march Sunday, Jan. 15, according to Mrs. Robert Lubkeman, Rte. 4, Antioch, area chairman.

Teams organized under Mrs. David Buck, drive captain, also of Antioch, will collect funds to be used for aid to cerebral palsied victims and their families.

The 53-minute march is part of the annual drive of United Cerebral Palsy in Lake, Cook, DuPage and Kane Counties, and will take place

simultaneously with drives by cerebral palsy organizations all over the country, said Mrs. Lubkeman.

In preparation for the event, volunteers' kits containing all information and materials for the Jan. 15 march will be delivered next week. Any volunteer not receiving kits by Jan. 10 are asked to call neighborhood captains or chairmen, she announced.

Detailed plans for the united effort were formulated recently at a meeting of Lake County leaders at

Kirchmeyer Residence Cops First

The Kenneth Kirchmeyer home, Rte. 2, Antioch, was awarded first place in Tuesday night's judging of the Christmas home decoration contest sponsored by the Antioch Moose Lodge.

Members of the judging contest, non-lodge members, were unanimous in their selection of the Kirchmeyer display for the number 1 spot. The display was built around a large, flocked Christmas tree in a huge picture window with a life-size gold and white Santa with moving head, arms and legs. Completing the display was a display of lighted shrubbery in the front of the home, and a lighted rock garden in the rear.

Second place was awarded the Chester Golonko home on the north shore of Loon Lake. The Golonkas' display consisted of "Peace on Earth" in lights and a Santa Claus and sleigh.

Third place went to the Arthur Letkeys, Oakwood Knolls, with a simple, attractive display of lights and decorations.

The Arthur Meyer home, First St., Antioch, was awarded fourth place for a display of sleigh and reindeer, cleverly spotlighted, and various other lighting effects.

Receiving honorable mention were Steve Ryzko, Lake Marie; Ray Toft, Winsor Dr.; Laurel Van Patten, Naber Ave.; Einar Petersen, Antioch Lake; Alice Young, Main St., Antioch; and the home at 495 Maplewood Dr., Oakwood Knolls. Prizes are gold bon bon dishes, first and second places, and a hand-painted dish for third.

The contest was open to anyone (continued on page 4)

PTA Urges Support Of Latest Program

The PTA of Antioch Township High School, in announcing a schedule of activities over the months ahead, added its request for active participation by eligible parents.

The PTA program includes: Feb. 1 — "Speech Therapy in the Antioch High School," to be presented by Miss Patricia Tierney, speech therapist.

March 1 — Library exhibit and program to be presented by high school librarians.

April 5 — Physical education demonstration and film on outdoor activities with emphasis on "Dad and Lad."

May 3 — Fashion and style show to be presented by mothers and daughters of the school homemaking department.

Postpone Bond Vote

Officials Vote Jan. 4 on Adding 2 to Conference

Antioch Township High School's principal A. L. Dittman will vote "yes" on a proposition to increase the Northwest Suburban conference to 10 schools, when administrators of schools concerned convene Jan. 4 to vote on the issue.

In sessions last week, high school board of education members voted to approve the admittance of Woodstock and Cary High schools. Woodstock is now a member of the North Suburban Conference, while Cary, Ill., school, is unaffiliated.

In discussing the impending move, board members pointed out that population expansion will doubtless cause revamping of conference organization in the immediate years ahead. Cited were instances where schools changed conferences, or were dropped because of literally growing out of a conference, or for failure to pace conference members in growth of school population.

Groundwork for the meeting Jan. 4, was laid last month in Barrington when administrators of schools in this area met in exploratory sessions.

Village Sets Special Meet On Financing

Village trustees will meet later this week in a special afternoon session to establish tentative means of financing proposed civic programs estimated to cost \$525,000.

Trustees had tentatively scheduled a special pre-Christmas meeting as a follow-up of their regular meeting Dec. 20, but were unable to assemble necessary data in time to enable them to completely study the financing aspects of the pending proposals.

To be financed will be development of an activated sludge type sewage disposal system to serve a population of up to 5,000 including necessary work on storms and mains.

Of the estimated \$525,000 total cost of the project, federal aid would account for more than \$60,000, the remainder to be met through one of several plans now under study.

The sewer proposal is part of an overall plan of projected growth being conducted by the planning firm of Everet Kincaid & Associates, Inc., Chicago.

A preliminary plan will be presented by the firm next month.

Antioch School Board to Name Date on Jan. 18

Selection of a date for referendum on a bond issue of \$995,000 for school construction was held over until Jan. 18 by the Antioch Township High School Board of Education at its meeting here last week.

Also held over was decision on successful bidders on a 6,000 cubic yard earth-moving project for the athletic field east of the Soo Line tracks.

Details of four bond issues were discussed by William Poroske, Illinois School Consulting Service, who outlined the various propositions in terms of yield, dates of maturity and economies of method.

School attorney Ted C. Larson will advise of an early spring date for the referendum in resolution to be presented at the board's next meeting, Jan. 18.

The \$995,000 program will include expenditures for building construction, remodeling, site improvement, equipment, architect's fee, attorney fees, bond and special services.

The proposed new facility will be a two-story structure built west and parallel to the existing plant with connecting corridors to the existing school. Included are 11 classrooms, 5 science rooms, academic department offices, girls' and boys' restrooms, cafeteria, kitchen, library and a study hall.

In addition, plans encompass remodeling and expansion of the existing plant to include a multi-purpose room, the homemaking department and the existing cafeteria.

The proposed building program would accommodate up to 1100 students, which surveys show will be reached by 1968-69.

The school's new \$20,000 sprinkler system is starting to pay for itself, board members were informed by Bernard Osmond, insurance agent, who revealed that insurance rates on the school building and contents will be reduced 50 per cent.

Osmond presented a check for \$907.19 to the board as a refund on the insurance premium.

The increased safety of the new system allows a more favorable rate than in the past, he explained, adding that over the years, reduced insurance cost will probably pay for the new system.

Battle Looms For JP Posts

A real Pier 7 may be shaping up in the race for the justice of the peace in the area comprising Antioch, Lake Villa, Grant and Avon townships, as backers began maneuverings for their candidates.

Significant was the recent unofficial meeting of Republican committeemen of the townships in which 18 of the 24 placed their money on John Stanton, Grant Township, for justice of the peace, and Carl Schmidt, Round Lake, for constable.

Opposing Stanton, who has completed 18 years in the state's auto licensing department, reportedly will be Harold W. Wilson, Antioch, serving as a justice of the peace; Eugene T. Daly, attorney, and announced candidate; and Frank M. Hartigan, Ingleside, incumbent JP, who has told friends he is in the market.

The Republican Men's Club, Grant Township, met last week to study the situation, but reportedly took no specific action.

Musical Showboat Production Scheduled At H. School Jan. 6-7

Here comes the showboat!

The Antioch Township High School Music Association presents the fourth annual production of "A Musical Showboat." Under the direction of Joe Kanka, association president, Joe Rush, high school instrumental director, and Ken Smouse, vocal director, "Showboat for '61" will feature "Music for Well-Rounded Squares" on Friday and Saturday nights, Jan. 6 and 7, at 8:15 p.m. in the high school auditorium.

A brand new show with a brand new format has been planned. Many of the favorite acts from former shows will be back plus several new faces for the '61 production.

Rudy Plocar, The Polka King, is helping to write the show and will be featured in the performance. The comedy of Jim Corrigan will again sparkle on the high school stage after a year's absence. The vocal talents of Lila Palenske, Joan Cervenka and newcomer to the Antioch stage, Jean Reed will be featured in the All-Star Revue.

"Music for Well-Rounded

Squares" will present a cross sampling of Dixieland, Blues, Polkas and Standards which will fit the tastes of all "music lovers" and possibly even a few "music haters."

JOAN CERVENKA, featured singer in Musical Showboat.

Cermak New VP Of LC Realtors

Charles J. Cermak, Jr., Antioch, will be installed as vice president of the Waukegan-Lake County Board of Realtors, Jan. 30, in ceremonies in Waukegan.

The ceremonies will be part of the combined Ladies Night-installation rites to be held starting at 7 p. m. at the Swedish Glee Club.

Others to be installed with Cermak include: Joseph J. Zorc, North Chicago, president; William G. Schwandt, Libertyville, secretary-treasurer; and directors Keith Leech, Zion; Dan J. McGaughey, Gages Lake; John Leonardi, Highwood; Theodore E. Paxton, Zion; Jack Williams, Wauconda, and Mary Poe, Waukegan.

Some 200 members and guests are expected to attend the ceremonies.

Jaros' Band to Play For Inaugural Ball

Gov.-elect Otto Kerner has named King Jaros' band as one of three to play for the inaugural ball in Springfield, Jan. 9. Three bands will play for the expected 10,000 guests in attendance.

Lou Breese and Red Saunders and their orchestras in the huge Springfield Armory, and King Jaros and his crew who will play in the Rotunda of the Capitol.

Awarded Scholarship

Richard J. Wilson, son of Mr. and Mrs. Clarence E. Wilson, RR 3, Antioch, has been awarded the LaVerne Noyes scholarship at Illinois Institute of Technology, Chicago.

A graduate of Proviso Township High School in Maywood, Wilson is now a sophomore in the chemical engineering department of IIT.

DEAR READER News Editorials

The Benefits

In an editorial on these pages Dec. 8, the Antioch News expressed its pleasure at the impending move of the Quaker Stretcher Co. here and confidence in a better Antioch because of the move.

This attitude parallels that of official Antioch, as it was primarily through the efforts of village leaders over the past several years that the firm was influenced in its decision to relocate here.

To round out the picture, The News sampled the business community of Antioch, and has found that merchants are unanimous in their feeling that Quaker Stretcher will exercise a highly beneficial influence on civic and financial activity here.

They are agreed that the influx of new business activity plus the addition of a \$500,000-plus payroll of some 250-350 workers will be of direct and indirect benefit to all residents of the area.

One civic leader estimates the new firm will contribute an approximate \$30,000 in school taxes alone. Figuring a high of \$500 per year to educate one high school student (the highest annual cost per student quoted in the state) this \$30,000 would finance one year's education for some 60 students, almost 10 percent of the district's high school population.

This is a benefit readily apparent to all.

But we feel it is the hidden benefits that manifest themselves over the long haul which will stand Antioch in greatest stead in the years ahead. As village president Murrill Cunningham so aptly put it when announcing the move of Quaker, Nov. 17, on these pages:

"Even more important will be the impact on the youth of the community. This is an incentive and a challenge. Youth recognizes opportunity.

"Industries such as Quaker demand skills and craftsmanship a notch above the average . . . and will halt a trend for the more talented youth to migrate to other areas where more and varied opportunities are present.

"Retention of our youth, their enthusiasm and their talent is of incalculable value to Antioch."

Courthouse Notebook —

BY LOU DURKIN

A new Olympic record for distance in the "reaching for it" category was set by State Rep. W. J. Murphy in his recent "warning" to the Democratic Party and the People of Illinois.

In his well-prepared statement issued earlier Rep. Murphy warned the Democrats in the state legislature not to appeal to the possible venality of some Republican representatives to gain the speakership in the House. According to the Antioch representative the Democrats stole the election in the state, although it is hard to recognize this charge with the overwhelming loss sustained by the Republican ticket in the state election, except of course for Secretary of State Charles Carpenter.

Rep. Murphy, after pooh-poohing the Democratic victory on the state level, manages to discover a "mandate" from the people of the state in the one member edge the Republicans hold in the House at Springfield. If any Republicans succumb to the blandishments of the Democrats in the General Assembly and vote for State Rep. Paul Powell for Speaker, Rep. Murphy says he will take part in a six months filibuster.

This filibuster, if successful, could make an expensive farce of the upcoming legislative session and block all action, which may not be a bad idea, but to say that the Democrats would be at fault is really "reaching for it."

This same fear of the knavery of Chicago's Mayor Richard Daley was the keystone for Gov. Stratton's recent campaign for re-election and we all know what happened to that effort.

It would seem that Rep. Murphy and his filibustering fellowship could do the Republican party and the people of Illinois a greater service by strengthening the GOP and making it more appealing to the voters of the state which in itself would dispose of the Daley bogeyman some of the Republican leaders have created in their imaginations.

The vacancy on the Circuit Court bench in Lake County created by the sudden death of Judge Sidney H. Block will apparently be filled by Probate Judge Thomas J. Moran by concession.

At least the Lake-McHenry GOP convention is expected to nominate Judge Moran when it convenes next month to pick a candidate.

If Judge Moran does move into the Circuit Court post it would be his third post since he threw his hat into the political arena as a candidate for state's attorney in 1956.

Despite the unquestioned handicap that his shift from State's Attorney to Probate Judge has placed him under, most of the possible candidates for the GOP nomination have announced they are not seeking the post because they know that Judge Moran has prepared well for any political "breaks" that might come his way.

First and most important he has established himself with most attorneys as a capable jurist.

This he has accomplished by making himself available to relieve County Judge Minard E. Hulse of some of the case load in that court and by volunteering to take on some of the load in Circuit Court.

This has actually meant a financial sacrifice for the hard-working young jurist since he gave up a chance to sit in Cook County courts to serve in Lake County.

Another factor in Judge Moran's favor is that he has remained active in politics even though he hasn't been an active candidate for the past year.

This evidence of party loyalty and political interest will serve him well with the precinct committeemen who will make up the bulk of the delegation to the convention and will select the GOP nominee.

Railroad Merger Forms New Soo Line

Merger of three railroad lines will result in a new Soo Line Railroad Co., according to approval granted Nov. 30 by the Interstate Commerce Commission.

The 4,800-mile, seven state company will be formed Jan. 1 out of the present Minneapolis, St. Paul and Sault Ste. Marie; the Wisconsin Central; and Duluth, South Shore & Atlantic Railroad Companies.

The move is expected to allow the Soo to make full utilization of the company's potential for fast, reliable

Boost Efforts to Educate Public in Civil Defense

More than 1,000 county residents trooped through the civil defense exhibit in the Lake Forest College fieldhouse earlier this month, according to Eugene McVoy, assistant director of the Lake Forest Civil Defense.

Philip Ehemann, Waukegan freshman at the college, was the winner of the fallout shelter, feature of the exhibit. Visitors to the fieldhouse registered for the drawing, which was made at the close of the exhibit.

The exhibit was held in connection with National Civil Defense Day, observed Dec. 7, during which

cities throughout the United States joined together in a mock alert simulating pending enemy attack.

In stepped-up efforts to educate the public as to the functions of civil defense, Lake County CD officials have inaugurated a series of practice alerts to be held periodically until summer.

As announced in last week's Antioch News by John L. Horan, local civil defense director, practice alerts will be conducted here on the following dates at 10 a.m.: Dec. 31, Jan. 14 and 28, Feb. 11 and 25, March 11 and 25, April 15 and 29, May 13 and 27, and June 10 and 24.

Colleges May Have to Close Doors To Lower Ranking Graduates

Students in the lowest quarter of their high school graduating classes may be eliminating themselves from consideration as college students without the use of policies and programs designed to discourage them from applying, according to a study made at the University of Illinois Chicago Undergraduate Division.

The study conducted by Dr. Kenneth Eells, research counselor and associate professor of psychology, shows that the percentage of students at the Navy Pier Division from the lowest quarter of their graduating classes has been steadily declining over the last five years. Conversely, the study also shows that the percentage of students in the Division from the upper half of their classes has been increasing steadily.

Dr. Eells' study deals with only new freshmen entering directly from high school and does not include transfer students.

"The most notable fact is that the increase in enrollment of new freshmen in the last three years has come entirely from the upper three-quarters of the high school classes," Dr. Eells said. "The number of lowest quarter entrants has been declining steadily since at least 1955, despite the general increase in new freshmen."

"It should be noted that this decline of lowest quarter entrants began before any special admissions procedures were instituted, and has continued quite steadily regardless of changing admissions requirements for these students," he said.

New catalogues of the University now inform potential students that, "beginning with admission to the fall semester of 1961, a progressive admissions plan will be instituted, because available facilities are insufficient to provide for all qualified applicants."

Basically, the new plan establishes "priorities for admission" based on the rank of the student in his high school graduating class. Those

graduating in the upper quarter will receive action on their applications first, through March 31, 1961; applications from students in the upper half will be considered from April 30, 1961, and all applicants will be considered after April 30 as space is available for more students. A similar system of priorities may be established for the spring semester, 1962.

Other policies are also being implemented which will give the University reason to believe that a student being admitted will have at least one out of four chances or better of being on clear status at the end of his first semester of his college work.

For example, a student may submit test scores from the Illinois College Testing Program or the College Entrance Examination Board, and, if the scores are high enough, his application for admission will be considered with a higher priority group than the one in which he stands as a result of his rank in his high school class.

Dr. Eells' study also shows that the number of new freshmen entering the Chicago Division has been increasing steadily and progressively over the last three years, as anticipated on the basis of the growing number of college age persons in the state.

Scout Awards Go To Channel Lake Boys Of Troop 83

By Mrs. Pearl Kappel

CHANNEL LAKE — Boy Scouts of Troop 83 had a combination Christmas party and Court of Honor at the Channel Lake school on Dec. 19.

Douglas Runyard was welcomed into the troop as a Tenderfoot in the traditional candlelight ceremony. John Patterson was promoted to First Class and Bill Shelton to Second Class.

Personal fitness merit badges went to Charles Fox, Bill Fox, Cal Trussell, John Ring, Joe Ring, John Patterson, Rodney Patterson, Bill Shelton, Terry Senesman, Terry Dowell and Bob Willis. Cal Trussell received badges for rabbit raising and wood carving.

The Auxiliary of Troop 83 presented pen and pencil sets to Ray Atwood, Bill Young, Dick Harland and Ray Van Patten in appreciation

of the work they have done with the boys. Grab bag gifts were distributed to the Scouts and refreshments served by the women of the Auxiliary.

Casey Chase, daughter of Mr. and Mrs. Bill Chase, is ill at home with mononucleosis.

The William Scanlan family of Woodcrest Subdivision was saddened Friday by the sudden death of Mrs. Scanlan's sister, Mrs. Anna Hansen. Mrs. Hansen recently moved to Chicago from Minnesota, and had returned to Chicago for the family's Christmas festivities at the home of another sister, Mrs. Helen Johnson. Mrs. Hansen is also survived by her husband, Max, and another sister, Mrs. Florence Burnette of Chicago. The funeral was held in Chicago, Tuesday.

An error in last week's column—it was stated that the next Cub Pack meeting would be at the home of John Eckert. It will not. The next committee meeting of the Cubs, on Jan. 13, will be at the Eckert home. The pack meeting will be at the schoolhouse, as usual.

Student Selected for Knox College Choir

GALESBURG, Ill. — W. Stephen Aschenbrenner, R. R. 2, Box 65, Antioch, Ill., has been chosen as a member of the 78-voice Knox College Choir for 1960-61, according to an announcement today by Creston S. Clingman, director of the choral group.

Aschenbrenner is the son of Mrs. Margaret Aschenbrenner.

The Knox College Choir was one of four official choral groups chosen by the State Department to represent the United States at the Brussels World's Fair in 1958. The appearance of the choir at the American Pavilion at the Fair and at the International Youth Choral Festival at Charleroi, Belgium, culminated a six weeks tour of nine European countries, where concerts were presented in seventeen major cities.

The choir presents concerts and programs at the college and in the community during the school year. The group also takes a spring tour annually. This year's series of concerts will be presented in cities throughout Indiana and Ohio.

Children's Council Names '61 Officers

J. N. Van Cleave was named president of the Lake County Chapter of the International Council for Exceptional Children.

The election was held at a recent meeting at Grant Community High School attended by special education representatives from schools in Antioch, Waukegan, North Chicago, Libertyville, Gurnee and Fox Lake.

Assisting Van Cleave over the year will be: Milton Davis, president-elect; Esther Whitman, secretary; and Mary Connelly, treasurer.

"Fully cooked ham is your best buy!" Advertisements about ham can be very confusing. Actually a "Ready to eat" ham, featured at an apparently low price, becomes less of a bargain when it loses all that weight through the long cooking that is required. Swift Premium fully cooked ham may be just heated and served with almost no waste, fuss or shrinkage. It's the "eating meat" you wind up with that really counts.

DEATH NOTICES

JOHN PAIRIS

John Pairis, 68, former Antioch resident, died Dec. 17, in Dixon, Ill., following a lengthy illness.

The deceased was born Sept. 18, 1896, in Greece and came to this country at an early age. He was married to Emelia Jasloka Sept. 12, 1918, in Chicago. He was a veteran of World War I, and was the former owner of the Emelia Restaurant in Chicago.

He is survived by his wife; one daughter, Mrs. Samuel Adler, Dixon; one son, John, Jr., Deerfield; and one brother, Constantine, Chicago.

Family services were held Dec. 20 in Chapel Hill Funeral Home, Dixon, with the Rev. Malcolm Ludy, pastor, First Presbyterian Church, officiating. Burial was in Chapel Hill Cemetery, there.

ADAM SELLINKA

Adam Sellinka, 77, Rt. 4, Box 207, died Sunday evening at his home.

The deceased was born Nov. 25, 1883, in Hungary, and came to this country in 1907. He moved to Antioch two years ago on retirement from International Harvester, where he had worked for 35 years.

He is survived by his wife, Anna, two daughters, Mrs. Anna Wright and Mrs. Marie Harris, all of Antioch, five grandchildren and two great-grandchildren.

Funeral services were held at 10 a.m. yesterday from Colonial Funeral Home to St. Peter's Church. Interment was in Mount Carmel cemetery.

TERRENCE J. SCHUMACHER

Terrence J. Schumacher, 58, of Indian Point, Grass Lake, died Dec. 21 at his home, suddenly of a heart attack.

Born June 10, 1902, in Chicago, he lived in Grayslake and Round Lake before moving to Antioch three years ago.

He was a former clerk at the Chicago Board of Trade.

Survivors include one brother, Henry J. Schumacher, Arlington Heights, and three sisters, Mrs. Irene Hofman, Shafter, Calif., Mrs. Elizabeth A. Bork, Chicago, and Mrs. Catherine Gehrke, Grayslake.

Services were held at 8:30 a.m. Friday from the Strang Funeral Home, to St. Peter's Church at 9 a.m.

Burial was in Calvary Cemetery in Evanston.

HARRIS D. BARRAGAN

Harris D. Barragan, 65, of Shaw Subd., Indian Point, was found dead in his home on Dec. 21. Death was from carbon monoxide fumes from a coal stove.

He was born June 16, 1895, at Hartland, McHenry County, and had lived in Antioch Township for the past 35 years.

He was a retired tile setter.

He is survived by one daughter, Mrs. Lorraine Donaldson, and one son, Thomas Barragan, both of Chicago, and five grandchildren.

Services were held at 8:30 Saturday morning from the Strang Funeral Home, with Mass at St. Peter's Church at 9 a.m. Burial was in St. Joseph Cemetery in Harvard.

EDWARD A. SCHIMMEL

Services were held yesterday afternoon (Wednesday) at the Strang Funeral Home for Edward A. Schimmel, 64, of Antioch, who died Saturday, Dec. 24, at 8 a.m. at his home on the North Shore of Loon Lake, after a year's illness. The Rev. Wallace Anderson of the Antioch Methodist Church officiated. Burial was in Home Oak Cemetery.

Born March 31, 1894 in Chicago, he resided there until moving to Antioch 20 years ago.

He had served in the U. S. Army in World War I and was a retired policeman from the Chicago police force.

Survivors are his widow, Delta; three brothers, August of Garden Grove, Calif., Harry of Grand Junction, Colo., and Fred Schimmel of Chicago, and one sister, Mrs. Laura Kendle of Chicago.

MRS. ESTELLA MAY

Word was received here this week of the death of Mrs. Estella May, a former resident of Antioch.

Mrs. May, who had been residing in Niles, Mich., died on Nov. 28.

ORVILLE A. SCHLUTER

Orville A. Schluter, 57, of Bristol, died at 2:40 p.m. Wednesday, Dec. 21, of injuries received in an auto-accident three hours earlier. The accident occurred near the Walter Radon residence at Rt. 45 and State Line Road, Pikeville, where Mr. Schluter had been making his home.

Born Jan. 11, 1903, in West Side, Ia., he resided there until moving to Bristol three years ago.

He is survived by two sisters, Mrs. Margaret Hinze of Cedar Rapids, Ia., and Mrs. Elsie Oesau, Sacramento, Calif.; one brother, Arthur J. Schluter of Cherokee, Ia., and nieces and nephews.

Friends called at the Strang Funeral Home, Antioch, Friday evening; the body was then shipped to the Onda Funeral Home in Manning, Ia., where services were held Tuesday. Burial was in West Side Cemetery, West Side, Ia.

Before driving your car early in the morning, says the Chicago Motor Club, take time to clear moisture and frost from the windshield and rear windows. Good visibility is essential to safe driving.

Plan Refresher Course For H. School Teachers

The Illinois Institute of Technology will conduct a special eight-week course of instruction next summer for high school mathematics and physics teachers, it was announced today.

The program is being financed by a \$103,500 grant of the National Science Foundation and is aimed at revitalizing high school instruction in these two fields.

This is the third year that IIT has participated in the summer program. Last year more than 700 applications from teachers were received of which 75 were approved. The instruction lasts from June 20 to August 18.

Aliens Must Report Address in January

Aliens in this country on Jan. 1 must report their addresses during the month of January, according to the U. S. Dept. of Justice, Immigration and Naturalization Service.

This is required even though an alien has not changed his address since the last report. This law does not apply to aliens here in diplomatic status nor to those accredited to the United Nations.

Address Report Card, Form 1-53, is available from any U. S. Post Office, and can also be turned in to the post office when properly filled.

Licences Revoked

Drivers' licenses of three area residents have been revoked, according to announcement today from the Drivers License Div., office of Charles F. Carpenter, secretary of state.

The license of Carol Swanson, RR 1, Antich was revoked for driving while intoxicated.

Three violations have resulted in revocation of the licenses of Robert S. Johnson, Longmeadow, Lindenhurst, and Donald W. Purkey, Wariner's Sub., Antioch.

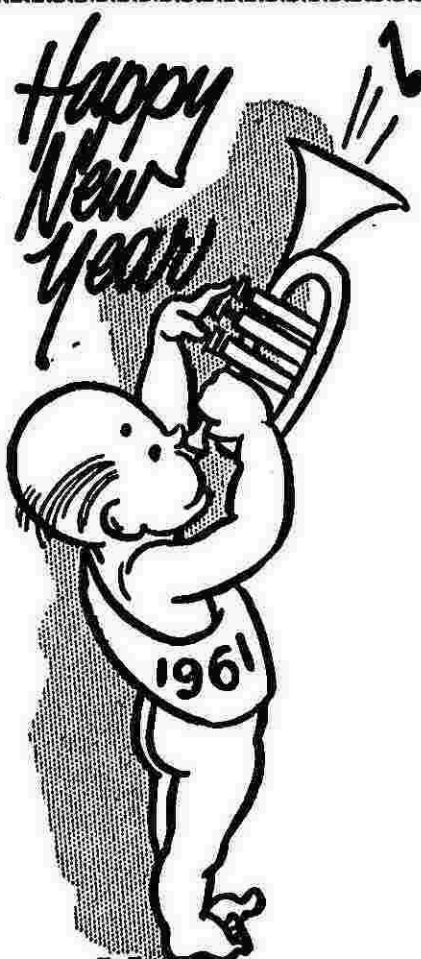

\$311,309 in Bonds

Lake County residents purchased \$311,309 in series E and H United States Savings Bonds in November, according to Phillip L. Spidel, Lake Forest, and James C. Brown, Waukegan, general co-chairmen of the County Savings Bond Committee.

Total bond purchases in Illinois were \$25,411,045, 4 per cent below November, 1959 sales.

Scouts Drop Overtime Cage Thriller to Round L. 94-90

Antioch's semi-pro Scouts bucked into their second league loss of the season at Richmond Dec. 11 in dropping an overtime thriller to league-leading Round Lake, 94-90.

In a reversal of form from their previous loss the week before when the Scouts took a sound thumping from Wauconda, the Antioch cagers stepped out early by moving into a 42-36 half-time lead.

Al Reckers with 14 points and Leroy Gallagher with 12, were particularly effective for the Scouts, while Wauconda's former prep ace, Sveck gave a hint of things to come with 10 points.

The Scouts continued hot on the basket and led by 15 points with but 12 minutes left in the game. But Sveck gained the range and

started pumping in from all angles to rack up 18 points in the second-third quarters.

With but 15 seconds to go, Round Lake pulled into an 80-80 tie, the way it stood as the teams went into overtime.

Round Lake, gaining steam, jumped into an immediate 6-point lead, which dropped to 4 in closing seconds.

Sveck, with 32 points, led game scoring, followed by Gallens, 24, and Coon, 19, for Round Lake. Prenger with 27, Parker with 20, Reckers 17, and Gallagher, 16, were high for Antioch.

In other games, Grayslake edged Fox Lake and Richmond won over Wauconda.

COURT OF HONOR

We started the meeting when Tom asked for hand for color guards on Dec. 13 at 7 p.m. and said the Scout law for practice because the parents were coming and we wanted to do it just right.

Tom asked if anyone could bring Christmas lights for the tree. Jerry, Gene, and John led us in the song, "We're The Scouts from Antioch" and Pat Huff led us in "Swing Low Sweet Chariot."

Then we gave patrol reports, songs, and yells and after that we sat on the floor so there would be enough room for the parents.

Tom Wojnowiak, Jim Edwards, and Jim Barnstable lit 12 candles which represented the 12 points of the Boy Scout law.

Edward Hofkamp introduced leaders, and bugler, chairmen, quartermaster and scribe to the parents.

The boys who were to receive badges were called up for honors. The Court of Honor closed when the parents and the Scouts had refreshments.

Sat Feb. 15 Deadline For License Plates

SPRINGFIELD, Ill.—February 15 will be the deadline for displaying 1961 motor vehicle license plates, Secretary of State Charles F. Carpentier has announced.

This will be the sixth consecutive year that date has been the deadline. It will be observed again this licensing season in spite of complications resulting from the change to a letter-digit numbering system for all registrations in excess of 999,999, Secretary Carpentier said.

As in the past, Mr. Carpentier pointed out, the February 15 date is a plate display deadline, not merely an application deadline.

This means, he added, that persons applying by mail for their plates should have their applications in his office by Feb. 1 in order to be assured of having their plates in time for the deadline.

Plates may be purchased now over the counter at the Automobile Division headquarters in the Centennial building in Springfield and at the three Motor Vehicle Facilities in Chicago: 5301 Lexington, 5401 North Elston and 9901 South Parkway, Mr. Carpentier said.

Merchant Marine Cadet Advances at Kings Point

Cadet Elmer "Chip" Eberman, son of Mr. and Mrs. Elmer Eberman, Channel Lake, has successfully completed his first academic quarter of the four-year course at the United States Merchant Marine Academy, Kings Point, N. Y.

The course will prepare Cadet Eberman for a career as a deck officer in the American Merchant Marine, or, if he so chooses, he may receive commission as ensign in the Navy on graduation.

The Academy, established in 1943, serves the merchant marine as West Point and Annapolis serve the Army and Navy. Cadet Eberman's curriculum includes such subjects as mathematics, marine engineering,

chemistry, boat handling, basic nautical science, navigation, engineering drawing, much of which is gained in periodic duty on ships sailing from American ports.

Youngsters Hold Yule Parties; Adults Set To Ring In New Year

By Mrs. Bernice Bernau
EL 6-6449
LINDENHURST — The Lindenhurst Junior Police Club held its Christmas party Tuesday, Dec. 20, with most all of the 100 members attending. About a dozen of the fathers attended with their sons. Movies were shown and some of the boys brought the model car kits that they are going to enter in the contest. They had a 20c grab bag, cup-cakes, cookies and soda pop. Members thanked mothers who took the time to make the cookies and cup-cakes for the party. Since the police stars hadn't arrived by Tuesday evening, Coles called for a special meeting for Dec. 27. Remaining badges will be distributed at the Jan. 3 meeting.

Seventh and eighth grade students of the Lake Villa School, some 247 of them gave their annual Christmas program Monday evening, Dec. 19.

Thala Rush directed the vocal chorus in the singing of carols and popular Christmas songs. Several students recited poems and gave Bible readings under the guidance of Mrs. F. Albert, seventh grade teacher.

The PTA conducted their Christmas Bazaar. Just before the children were dismissed, they wished everyone a "Merry Christmas" in unison.

There will be a New Year's Eve party for members of the Lindenhurst Men's Club and their guests at the club on Grand Ave. There is a charge for admission.

The V.F.W. in Lake Villa will hold a New Year's Eve party, open to the public. Tickets are available from Bob McLeiland or Chuck Reinhardt, both of Lindenhurst.

Domnick DiSilvestro of Deerpath Drive was a patient at St. Therese Hospital last week. Not long ago, his wife, Mary, was in the hospital with a heart attack. Their son, Donald, was 9 years old today.

Ted Gruszecski, Sr., Hickory Court, celebrated his birthday yesterday.

Anthony LaBarbera, Whitlock Dr. is 12 years old today.

Mr. and Mrs. Albine (Betty) Burzynski of Sunset Lane are the parents of a son, Chris Robert, born Dec. 18, at Victory Memorial Hospital. The youngster weighed 8 pounds, 12 1/2 ounces at birth.

The Burzynski daughters are Susan, 11, and Nancy, 8; maternal grandparents are Mr. and Mrs. Robert (Marie) Chishop of Chicago. The paternal grandparents are Mr. and Mrs. John (Angeline) Klazek, also of Chicago.

The "Wood-chicks" had their Christmas party at Mrs. Jerry (Evelyn) Dusek's home on Sunset Lane, Dec. 21. Evelyn had her home decorated beautifully. For a week, Evelyn collected a piece of jewelry or knick-knack from each girl. When all the girls got together, they had to try and guess who owned each article. Joyce Maloney was the winner.

Attending were Mesdames Anita Romano, Nancy Kleffner, Norma Gibbs, Esther LaChance, Sheila Frybjo, Peggy Karry, Anne Hartokols and Dee Flint. Dee is the new secretary.

The girls discussed plans for a Valentine party.

Mr. and Mrs. John (Beverly) Tomaski of Thornwood Drive attended the Christmas party for the employees of George Pacific in Franklin Park, at Nielsen's on Mannheim Road, Dec. 21. Beverly is one of the "Wood-chicks."

The Policemen's Wives' Club met Dec. 21 at Mrs. Ron (Shirley) Coles' home on Valley Drive. Attending were Mesdames Ann Lance, Georgia Matthes, Jane Spears, Alberta Bethley, Virginia Van Vorous, Vi Selzer, Roberta Hazel and Bernice Frontzak.

The ladies played a game where they had to identify products from an advertisement. Ann Lance won dish cloths, Virginia Van Vorous won dish towels, and Alberta Bethley won stationery. They had a grab bag and refreshments were served.

If you're planning to be on the highway on a holiday, the Chicago Motor Club urges you to be extra careful when returning home after your satisfying holiday dinner.

Salvation Army Distributes Gifts And Yule Cheer

By Mrs. Fred Bartlett
LAKE VILLA — The Salvation Army Unit here visited 67 patients and made at least one needy family happier over the holidays.

The unit presented 31 gift bags to 20 women and 11 men at the Venetian Manor Rest Home and to 36 men at the Lake Villa Rest Home. Gift bags contained cookies, candy, fruit and tobacco. In addition the unit presented a family with a food basket for Christmas.

Unit members are Raymond Bartlett, Mrs. Fred Bartlett, Sr., and Everett Galiger.

Funds for Unit projects are raised by the Salvation Army Doughnut Day and Letter Appeal. Of this amount 20 per cent is spent on projects in the community.

Burglar Was Thorough To Say the Least

Pre-Yule spirits were dampened at the Harley Miller home, State Line rd., Dec. 17, when a burglar ransacked the residence.

Investigation by Kenosha County sheriff's deputies disclosed the home had been entered through the garage and a window broken in the breezeway door to gain access.

The entire home was ransacked, including the opening of several wrapped Christmas presents.

Pvt. Glenn Completes Training at Ft. Sill

FORT SILL, Okla. — Army Pvt. James E. Glenn, son of Mr. and Mrs. Ernest H. Glenn, 996 Spafford St., Antioch, completed eight weeks of advanced individual training at the Artillery and Missile Center, Fort Sill, Okla., Dec. 9.

Glenn was trained to service and maintain the 105 millimeter howitzer, a light field-artillery weapon. He entered the Army last July and received basic training at Fort Leonard Wood, Mo.

The 23-year-old soldier attended Antioch High School.

State to Take Over Surplus Bong AF Base

Wisconsin state personnel have begun studies on land use planning for Bong Air Force Base once it is taken over by the state. The action was taken following announcement by the government that the base had been officially declared surplus and available for disposal.

The General Services Administration is conducting appraisals so that the base can be sold to the state, and arrangements are being made with Brighton School District to transfer 40 acres of land to the district.

Cage Squads on Holiday Tournney Circuit

Grant, Warren Win; Antioch Vs. Palatine

Northwest Suburban Conference cage squads, participating in various holiday basketball tournaments, were breaking about 80-50 in the win-lose column as they sharpened up for what appears to be a tough second-half schedule. Conference play will resume Friday, Jan. 6.

Both Grant and Warren, currently tied for the conference lead with 4-0 records, served notice on rivals that they intend to maintain the status quo by dual wins at Grayslake earlier this week.

Grant's powerhouse coasted past Marian Central on Monday with an impressive 80-51 win, and Warren edged a sound Dundee team 78-72 on Tuesday. Grant meets McHenry tonight (Wednesday) in the semi-finals, and it could end up with Grant meeting Warren for the tourney title if the latter is successful in getting by its second opponent.

Lake Forest dropped a 61-45 decision to McHenry on Monday, and will continue in the consolation bracket.

Meanwhile Larry Leon's Sequoits, hungry for a victory to balance their 2 won, 4 lost record, journey tonight (Wednesday) to Bensenville, where they will meet the favored Palatine High squad in the curtain-raiser at Fenton High.

Fans will recall it was this same tournament that gave last-year's high-riding Sequoits their first loss of the season, when they were taken by a young, but smooth-working Prospect High team. Prospect, with no seniors on its team last year, has the entire squad back this year, and happily, is engaged elsewhere this week.

If successful tonight, Antioch will meet the winner of the Lake Park-Round Lake game Thursday at 8 p. m., with the two finalists battling it out for tourney honors Friday at 8:30 p. m.

To prepare for the tourney circuit, Coach Leon's cagers have set a tough practice schedule each afternoon in hopes of putting together a winning combination.

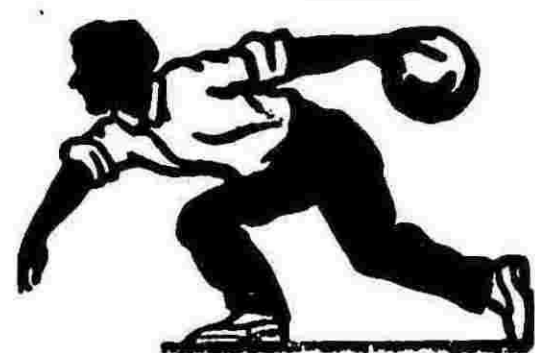

The remaining two conference teams, Ela-Vernon and Wauconda, both tied for third in the conference with 2-2 records, open tournament play Thursday at Ela, with Wauconda meeting Steinmetz at 7 p. m., followed by Ela against Tuley at 8:30. Winners will play Friday for the championship.

Fresh-Soph Tournney Opens at Wauconda

Wauconda Township High School will host its first fresh-soph basketball tournament today and tomorrow with doubleheaders both days.

Today at 1:30 p. m., McHenry and Ela-Vernon tangle in the opening game, followed by Steinmetz, tourney favorite, against Wauconda at 3 p. m.

On Friday, the losers will meet at 1:30 p. m. for consolation, followed by fresh-soph winners in Thursday's competition, meeting at 3 p. m. for tourney honors.

News of Lakesports

QUEEN PAT CHERBOK and King Les Herbst lead the evening festivities at the annual senior class frolic, "Christmas is for Lovers", Friday night in the high school gymnasium. Herbst, mainstay of the Antioch cage squad, seems equally at home on the dance floor as he is on the cage court where he is currently third high conference scorer with an 18.2-point average in six games played this season. (Warren Polley photo)

Herbst Paces Sequoits; Squad Off On Averages

Les Herbst, with 109 points in six games, is high scorer for Antioch's Sequoits, with an average of 18.2 points per game. His 76 points in four conference games place him third in conference scoring behind George Williams of Round Lake with 88, and Haerle of Grant with 85, and is certain to be a strong factor of consideration when all-conference honors are passed around.

In a recapitulation of the first half of play in the 1960-61 season, Herbst ranked far above his team mates in scoring and showed up well in offensive-defensive play. The rangy 6-foot forward's accuracy at the free-throw line makes him a standout in this department also, where he has sunk 33 of 41 attempts for a whopping 80.5 average.

One key to Antioch's luckless season is reflected in the point spread over the players. Scoring is concentrated with Herbst being the only player to crack two figures.

Next high in Sequoit scoring is Denny Pogose, with 5.8 points av-

eraged per game, followed by Brian Elliott, with a total of 25 points in six games for a game average of 4.2, and Bob Krieger, 22 in six, for an average of 3.7.

And it is mainly in this field where Antioch's record of 2 wins against 4 losses shows up. For while Antioch was averaging 43.2 points per game, opponents were banging away for a creditable 57.7 point average.

The shaky accuracy of the Sequoits from the floor is reflected in their 31.1 percentage of field goals, where they have sunk 95 of 305 attempts, while opponents were netting 138 of 352 attempts for a 39.2 percentage. Antioch cagers fared better from the free-throw line, sinking 69 while missing 81 for a 57.5 percentage.

Control of the boards gives Antioch opponents the best of it, with basketball foes grabbing off 75 offensive rebounds and 116 defensive rebounds compared to 52 and 86 for the Sequoits.

Here's how the Sequoits stack up in play thus far:

| Player and Games Played | Field Goals | Free Throws | Total Points | Avg. |
|-------------------------|-------------------|-------------------|--------------|------|
| Attempts Made Av. | Attempts Made Av. | Attempts Made Av. | | |
| Elliott 6 23 9 39.1 | 7 6 41.7 | 35 4.2 | | |

| Pogose 6 29 15 51.7 | 5 7 41.7 | 35 5.8 | | |
| Herbst 6 106 38 35.8 | 33 8 80.5 | 109 18.2 | | |
| Schuth 6 31 9 29 | 1 4 20 | 19 3.2 | | |

\$60,000 School Referendum For Chan. Lk. Jan. 28

By Mrs. Pearl Kapell

The Board of Education of Channel Lake School will present a referendum to voters on Jan. 28 for money to build a new school gymnasium. \$60,000 will be sought through the referendum.

The proposed addition includes a combination gymnasium and cafeteria, a stage, new kitchen and two washrooms. The cafeteria would be equipped with tables which fold into the wall to allow use of the gymnasium throughout the day except during serving of meals.

The existing cafeteria would be remodeled into two classrooms.

The board's approval of the referendum was given at the regular meeting Dec. 20, with Attorney Ted Larson assisting in legal matters pertaining to the referendum.

To vote on the referendum, it is not necessary to be a registered voter. The voter must be at least 21 years old, have lived in the state one year, the county 90 days and the school district 30 days.

Members of the school board will be present at the January meeting of the P.T.A. for a panel discussion of the referendum.

AM Bares Bonus Plan For Buyers

A new American Motors program under which buyers of new Ramblers can get a "progress sharing bonus" of as much as \$125 in U. S. Savings Bonds was announced today by Donald R. Pittman, head of Don Pittman Motors, Inc., 445 Main St., Antioch, Ill.

Pittman attended a meeting in Chicago recently, where he viewed a national closed-circuit television program in which George Romney, president of American Motors, outlined details of the new program.

"It's the soundest and most beneficial program to buyers I've encountered in my four years in the automobile business," Pittman said.

"Bonds are mailed to buyers automatically as American Motors' sales volume increases, thereby sharing with the consumer the fruits of increased sales."

To those who buy a new A M car between Dec. 1 and March 31, American Motors will automatically send savings bonds ranging from \$25 to \$125 maturity value as the company's cumulative monthly sales rise over a year ago at specific periods ranging from 10 per cent to 50 per cent, Pittman said. Payments will be made at the end of each month in which a 10 per cent or more cumulative gain is made.

On the basis of a 50 per cent Rambler sales increase, American Motors will pay out more than \$18.5 million, he said.

Well Digger Goes Down 150 Feet and Brings in a Gusher

Charles L. Wertz & Son, Antioch, well drillers, recently hit the jackpot with a well at Fox River which produces a natural flow of nearly 100 gallons per minute at ground level some 15 feet above the river level.

Wertz reported this was the best flowing well the firm has tapped in the Fox River Valley in more than 30 years of drilling.

The new well has a lower iron content than that of an older, shallow well put down 15 years ago a few feet distant. The entire 150-foot depth of the well consists of layer upon layer of hard gravel, boulders and silt, which called for extremely slow, tough digging, according to Wertz.

The well was dug for John's River Inn, Rte. 173 at the Fox River bridge.

County to Deed Land For New Courthouse

Lake County will deed Courthouse square in Waukegan to the Lake County Public Buildings Commission for the purpose of erecting a courthouse. Preliminaries for the action were taken last week when County Board Chairman Karl I. Berning and County Clerk Garfield R. Leaf signed the contract.

However, actual signing of the deed of property will not take place until next month.

Meanwhile, opposition to the proposed site of the courthouse was voiced by members of the Round Lake Area Chamber of Commerce.

According to George Howland, president of the Chamber of Commerce, opposition is not to the actual erection of a new courthouse, but rather, selection of a site without referral to the voters of Lake County.

Urge Safe Driving New Year's Eve

Motorists are cautioned by the Chicago Motor Club to exercise extreme caution in New Year's eve and New Year's day driving.

J. J. Cavanagh, president of the Motor Club, called on drivers to cooperate with police and to be extra alert if the weather causes hazardous road conditions.

Said Cavanagh: "The New Year's holiday always represents a dangerous period because of merry-making and the general carefree attitude of the public. In addition, there always is the possibility of rain, sleet, or snow causing slippery street and highway conditions. This presents a double hazard for both motorists and pedestrians."

Cavanagh offered these holiday safety tips: Be alert for slippery spots; start early and drive at reduced speeds; make sure you can see ahead and on both sides of your car; signal well in advance of stops and turns; be considerate of pedestrians; and practice courtesy behind the wheel at all times.

School Problems Aired In Series of Meetings

Mrs. Virginia Haas and Theodore Enger, both of Antioch, were among some 28 delegates from Lake County, North Lakes Area Division of the Illinois Education Association, who attended the three-day IEA meeting which ended today in Chicago.

Representatives of the 21 regional divisions gathered at the Sherman Hotel to study basic problems in school finance, state aids, state revenue reform, school district reorganization and related subjects.

Among the 22 alternates attending the meetings were Shirley Oilschlager and Mrs. Myrtle Juve of Lake Villa.

Youths Sentenced For Robbery Of Railroad Station

Two 18-year-old youths who pleaded guilty to the armed robbery of a Grayslake railroad depot have been placed on probation for five years and sentenced to serve at Vandalla.

George Bosnick, Loon Lake, was ordered to spend the first six months of his sentence at Vandalla, and John Loksa, Oak Lane Dr., Lake Villa, was sentenced to spend the first three months of his sentence at Vandalla.

The youths, appearing before Probate Judge Thomas J. Moran last week, admitted they held up Milwaukee Road station agent H. L. Honeman at gunpoint on Nov. 28 and took cash and checks totaling \$842.

The youths were arrested Dec. 1 on a tip and appeared before Justice of the Peace Emil Lindvall, Dec. 13, for a preliminary hearing. Loksa was apprehended at the Willowdale Dairy here, where he works, and Bosnick was picked up at his home.

Deputies Leroy Grever and Carl Schmidt of the sheriff's office broke the case after working with Milwaukee Road officials, the Grayslake police department and the Federal Bureau of Investigation.

According to stories of the pair, the holdup was Bosnick's idea. He approached Loksa with the idea the morning of the crime and the pair joined later in proceeding to the station where they held up the agent. They met the evening of Monday, Nov. 28 in Silver Lake, Wis., where they divided the loot, each receiving approximately \$358.

Bosnick burned a number of checks taken in the robbery. The 22 caliber target pistol used was obtained by Bosnick in the Nov. 11 robbery of Bill's Service Station at Loon Lake Rd. and Rte. 21, in which some \$30 was taken.

Ela, Wauconda In Tournney Play

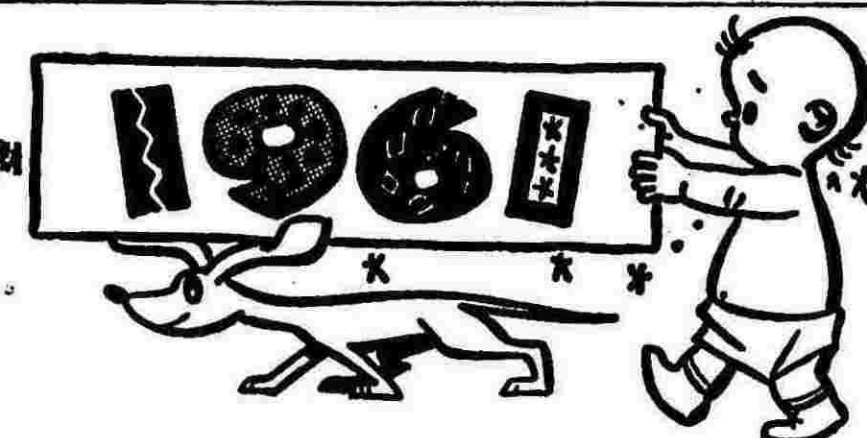

Wauconda and Ela-Vernon cage squads will pit their skill against outsiders in a holiday tournament today and tomorrow at Ela-Vernon. Steinmetz and Wauconda will ring up the curtain on tourney proceedings when they meet tonight at 7 p. m., followed by Ela-Vernon and Tuley, who wrap up the evening at 8:30 p. m.

Tomorrow night, losers of Thursday's games will meet for third place, followed by yesterday's winners, who will battle it out for the championship at 8:30 p. m.

Midget Champion Car Races Scheduled Jan. 14

Go-Kart buffs will have a chance to see Indianapolis "500" drivers in action Jan. 14 at the second in a series of four winter indoor championship races in the International Amphitheatre, Chicago.

Among those racing the midgets Jan. 14 will be Don Branson, third ranking USAC big car driver; Rex Easton; Bob McLean, 1960 indoor champ; Chuck Rodee, two-time indoor champ; Byron Fischer, Denny Kladis, Ernie Cartier, Bob Wente and Ray Elliott.
